Message from CEO

ESSEN is committed to revolutionizing Pakistan's energy landscape. With natural gas pivotal for sustainable development, we lead with innovation and quality in gas transmission and city distribution projects. As your trusted energy partner, we deliver solutions empowering industries, households, and communities for a brighter future.

Mr. Ahsan Majeed
Founder / CEO

Welcome to ESSEN

Welcome to ESSEN, a dynamic and forward-thinking entity at the forefront of the gas marketing and sales sector. Backed by a solid foundation of financial stability and supported by our esteemed holding company, we are dedicated to deliver dependable and sustainable gas solutions to fulfill the energy requirements of our valued clients.

At ESSEN, we envision ourselves as a pioneering force in the gas industry, boasting a rich history of innovation and an unwavering commitment to meeting the ever-expanding energy demands. As a key player in the gas sales and marketing sector, we have positioned ourselves as a trusted provider of diverse gas solutions, ensuring reliability and sustainability are at the core of everything we do.

A Proud Milestone

OGRA Licence Granted for Natural Gas Marketing

ESSEN Gas has been granted a licence by the Oil & Gas Regulatory Authority (OGRA) to market natural gas in Pakistan. This milestone marks an important step in our journey to provide reliable energy solutions for Pakistan's industrial and commercial sectors.

With gratitude to Allah Almighty, we thank our partners and well-wishers for their continued support and confidence.

STRONGER PARTNERSHIPS | CLEANER ENERGY | SUSTAINABLE GROWTH | A BRIGHTER TOMORROW

Associated Company

Ahsan Majeed & Company (Private) Limited. (AM & CO)

AM & CO is a holding company in the oil and gas sector, focusing on strategic setup, acquisition, funding, and management of subsidiaries across upstream exploration, midstream transportation, storage, and downstream refining/marketing, aiming for diversification.

AM & CO commits to a comprehensive presence in the oil and gas value chain, prioritizing shareholder value, stakeholder interests, and community well-being through sustainable practices, innovation, and industry-leading performance.

Committed to meeting local energy needs with quality, for a sustainable future.

Our Vision

To be a leading natural gas and LNG provider for Pakistan's industrial and commercial sectors, supporting growth and a sustainable energy future.

Our Mission

To meet industrial and commercial energy needs through reliable natural gas and LNG supply, with a commitment to safety and responsible operations.

Our Objective

To expand pipeline and virtual network delivery to industrial and commercial customers across Pakistan.

Market Focus

Customer Experience

We focus on understanding business energy needs and providing reliable gas solutions, with responsive service and a commitment to safety.

Industrial
